Tasting Notes

The palate displays lovely fruit flavours of green apple and pears. A fresh sweet wine for relaxing in the sun.

Winemaking and Viticulture

This fresh sweet wine is a blend of our Riesling and Semillon grapes. They are harvested in the night to ensure fruit is crushed at optimum temperatures.

Over recent years low alcohol sweet or semi sweet wines in the moscato style have become very popular in Australia. These are typically low alcohol wines and are ideal as aperitifs. The appeal of these wines is that they are very refreshing. The natural acidity of the wine is offset by the sweetness, but they are not overwhelmingly sweet. Serve well chilled.
