Estate Range

2017 Merlot

Tasting Notes

A spicy nose with blueberry and mulberry notes followed by liquorice and smoky overtones. The palate shows ripe blueberry and blackberry flavours with hints of floral.

Winemaking and Viticulture

Much of the unique character of this wine is developed in the vineyard, low yielding spur-pruned vines with fruit harvested in the cool of the night to ensure fruit is delivered at temperatures less than 20 degrees. Fermentation is on skins in open top fermenters with subsequent maturation in French oak barrels for up to 22 months prior to bottling. All the fruit is sourced solely from Shaw Vineyard Estate's Murrumbateman vineyard, an area renowned for production of premium cool climate wines. Stelvin closures are used for freshness and to ensure long term quality.
