

Winemakers Selection

2016 Cabernet Sauvignon

Tasting Notes

A rich bouquet of blueberry, blackberry and mulberry. The palate shows fresh blackberry and blueberry flavours with well balanced fine-grained oak.

Winemaking and Viticulture

Much of the unique character of this wine is developed in the vineyard, low yielding spur-pruned vines with fruit harvested in the cool of the night to ensure fruit is delivered at temperatures less than 20 degrees. Fermentation is on skins in open top fermenters with subsequent maturation in predominately French oak barrels prior to bottling. All the fruit is sourced solely from Shaw Vineyard Estate's Murrumbateman vineyard, an area renowned for production of premium cool climate wines. Stelvin closures are used for freshness and to ensure long term quality.
