## 2019 Riesling

### Tasting Notes

This cool climate Riesling exhibits floral and lime aromas with a lively palate of freshly squeezed lime. Mineral tones and delicate acidity gives this wine lovely length.

### Winemaking and Viticulture

Riesling is an aromatic grape variety displaying flowery, almost perfumed aromas as well as high acidity. This classic dry Riesling shows all these attributes. Much of the unique character of this wine is developed in the vineyard, low yielding spur-pruned vines with fruit harvested in the cool of the night to ensure fruit is delivered at temperatures less than 20 degrees. The fruit is then lightly pressed and drained and only the free run juice is used to produce this elegant wine. All the fruit is sourced solely from Shaw Vineyard Estate's Murrumbateman vineyard, an area renowned for production of premium cool climate wines Stelvin closures are used for freshness and to ensure long term quality.

Closure	Stelvin	Alcohol	11%
Winemaker	Graeme Shaw & Jeremy Nascimben	Res. Sugar	5.3 g/L
Grape Variety	100% Riesling	Cellaring	14 years
