SHAW WINES

2015 Signature Series Semillon Sauvignon Blanc

This soft easy drinking wine displays citrus aromas with subtle passionfruit flavours on the palate. It shows lovely ageing characters yet still retaining freshness.

Winemaking and Viticulture

Much of the unique character of this wine is developed in the vineyard, low yielding spur-pruned vines with fruit harvested in the cool of the night to ensure fruit is delivered at temperatures less than 20 degrees. The Semillon is sourced from Shaw Wines Murrumbateman vineyard, an area renowned for production of premium cool climate wines. Stelvin closures are used for freshness and to ensure long term quality.
