Blackcurrant and white pepper aromas with cedar/mocha tones. A palate of blackberries and hints of fennel seed with a soft velvety finish.

Winemaking and Viticulture

Much of the unique character of this wine is developed in the vineyard, low yielding spur-pruned vines with fruit harvested in the cool of the night to ensure fruit is delivered at temperatures less than 20 degrees. Fermentation is on skins in open top fermenters subsequent maturation in predominately French oak barrels for up to 22 months prior to bottling. All the fruit is sourced solely from Shaw Wines Murrumbateman vineyard, an area renowned for production of premium cool climate wines. Stelvin closures are used for freshness and to ensure long term quality.
