Winemakers Selection

2019 Cabernet Merlot

Tasting Notes

Aromas of plums and red berries, with savoury notes of rhubarb and dried herbs. The palate is fruit driven, with earthy characters, and full-bodied tannins on the finish.

Winemaking and Viticulture

Much of the unique character of this wine is developed in the vineyard, low yielding spur-pruned vines with fruit harvested in the cool of the night to ensure fruit is delivered at temperatures less than 20 degrees. Fermentation is on skins in open top fermenters with subsequent maturation in predominately French oak barrels prior to bottling. All the fruit is sourced solely from Shaw Wines Murrumbateman vineyard, an area renowned for production of premium cool climate wines. Stelvin closures are used for freshness and to ensure long term quality.
