Estate Range

2021 Semillon Sauvignon Blanc

Tasting Notes

This elegant wine has a nose of fresh lime zest and subtle notes of mango, pawpaw and lychee. A dry and mineral palate with persistent, fresh acidity.

Winemaking and Viticulture

Much of the unique character of this wine is developed in the vineyard, low yielding spur-pruned vines with fruit harvested in the cool of the night to ensure fruit is delivered at temperatures less than 20 degrees. The fruit is then lightly pressed and drained and only the free run juice is used to produce this elegant wine. The Semillon is sourced from Shaw Wines Murrumbateman vineyard, an area renowned for production of premium cool climate wines Stelvin closures are used for freshness and to ensure long term quality. This wine is Vegan friendly.
