2021 Riesling

Tasting Notes

A nose of lemon and lime with delicate lychee and mango notes. A fresh palate of lychee and lime, finishing with well balanced acidity.

Winemaking and Viticulture

Riesling is an aromatic grape variety displaying flowery, almost perfumed aromas as well as high acidity. This classic dry Riesling shows all these attributes. Much of the unique character of this wine is developed in the vineyard, low yielding spur-pruned vines with fruit harvested in the cool of the night to ensure fruit is delivered at temperatures less than 20 degrees. All the fruit is sourced solely from Shaw Wines's Murrumbateman vineyard, an area renowned for production of premium cool climate wines. Stelvin closures are used for freshness and to ensure long-term quality. This wine is Vegan friendly.
