Winemakers Selection

2019 Cabernet Sauvignon

Tasting Notes

Elegant notes of plums, blueberries, rhubarb and leafy notes. The palate is fruit driven, yet shows some earthy spice and lengthy tannins on the finish.

Winemaking and Viticulture

Much of the unique character of this wine is developed in the vineyard, low yielding spur-pruned vines with fruit harvested in the cool of the night to ensure fruit is delivered at temperatures less than 20 degrees. Fermentation is on skins in open top fermenters with subsequent maturation in predominately French oak barrels prior to bottling. All the fruit is sourced solely from Shaw Wines Murrumbateman vineyard, an area renowned for production of premium cool climate wines. Stelvin closures are used for freshness and to ensure long term quality.

Closure	Stelvin	Alcohol	14%
